

Legend

Sea-bed substrate (sediments grainsize)

- mud
- muddy sand
- sandy mud
- sand

Volcanic center polygon

- composite cone
- fissural edifice
- lava cone
- stratovolcano

Landslide polygon

- area of mass movements
- avalanche
- creep
- fall / avalanche
- flow
- landslide
- rotational slide
- rotational slide / translational slide
- slide / flow
- slide
- turbidity current

Volcanic center point

- breached crater
- caldera
- crater
- fissure vent
- flank collapse
- lava field
- lava flow

Landslide point

- flow
- landslide
- rotational slide

Fluid emission point

- fluid emission
- mud volcano

Tsunami point

- event origin

Quaternary tectonics

- anticline
- fault
- normal fault
- reverse fault
- strike-slip fault
- thrust fault

Geomorphology

- shelf break
